NOES: Directors: None
ABSENT: Directors: None

Resolution is numbered 2020-21.

Director Spandrio welcomed Janyne Brown as the new CFO.

7. DISCUSSION ITEMS

7. a. Update and Discussion of the State Water Project Interconnection Project.

Mr. Flood reported that on 8.e. there were questions from the Water Resources Committee and the encumbered number did not match up. It is possible that there may have been a mix up on where costs are allocated between the two projects with similar names. This will be reviewed, corrected and brought back to the board.

Mr. Flood reported that the project is moving into design and heading towards that part of the project where when I met with Calleguas and City of Ventura they expressed their wish to consider the district paying for some portion of the cost of that line to have capacity set aside for us as first priority sense. Essentially it will be a shared line. The City of Ventura went out with rfp and came back with Stantec in the amount of \$3.5 million for the design phase and are planning on two years for that. Julia sat in on selection of consultant. The City pays for 2/3 of project at \$30 million and if the district is so inclined, the commitment would be for 1/3 of what the city is looking to spend. This project was kept in the budget with 500,000 over the year. This is the centerpiece for the comprehensive water resources plan. The 1/3 set aside gives the district certainty to move water. We will need to rely on other state water project contractors. Met water can be subject to a lot of uncertainty. Calleguas, Casitas and the city are working on design, construction and operation contract. It will need to come to committee and the board to discuss prior to finalization.

The Board discussion their concerns with President Baggerly commenting that the water users from the Ventura River watershed are being ungraciously attached from an enemy in their midst and thinks it is foolish to continue down this path as long as the City of Ventura pushes forward with the lawsuit. Director Spandrio concurred and suggested not throwing any more money at it until we see we have a cooperative partner in the effort. This could result in big changes to the comprehensive water resource plan. Director Kaiser questioned if the city officials responded to the request to meet. Mr. Flood replied it would be discussed in closed session updates. Director Kaiser added that he agreed with Directors Baggerly and Spandrio. President Baggerly ended by stating that there is no action to be taken on this at this time.

8. INFORMATION ITEMS

- 8. a. Public Relations Committee Minutes.
- 8. b. Finance Committee Minutes
- 8. c. Letter from Ventura Grand Jury.
- 8. d. CFD 2013-01 (Ojai) Project Report.
- 8. e. State Water Project – Interconnect Project Costs.
- 8. f. Investment Report.

Director Spandrio asked for a staff response and recommendations to the Grand Jury letter. Mr. Flood responded that the IT Specialist is working on that and giving me some information and doing some outreach to federal agencies for free help for analysis and checklists.

The Information items were offered by Director Kaiser, seconded by Director Spandrio and approved by the following roll call vote:

AYES:	Directors:	Kaiser, Spandrio, Brennan, Baggerly
NOES:	Directors:	None
ABSENT:	Directors:	None

9. GENERAL MANAGER COMMENTS

Ms. Dyer reported that the Ojai Valley News had some misinformation in the Thumbs Down section adding that the Mira Monte well is a water source for the Ojai water system as it is blended with water from the Casitas system. It appeared that the reader did not have the most recent version of the report. I have contacted the Ojai Valley News about this and am looking for ways to improve the report next year.

Rincon 2M repairs were completed yesterday. Engineering is working on an rfq for a long term solution for that area. It is a challenging area in the canyon and subject to erosion.

Mr. Dyer then reminded the board of shutdowns on the Ojai water system on July 9 and 10. Door hangers and phone calls are being made to affected customers. The board was also reminded that the Comprehensive Water Resource plan is available for review and postcards will be sent within the district. Finally she reminded the board of the special board meeting this Friday at 11:00 a.m.

10. BOARD OF DIRECTOR REPORTS ON MEETINGS ATTENDED

DIRECTOR Kaiser attended the AWA meeting last Thursday and they talked about the state of the association's finances. They are down \$33,000 for the year. The Farm Bureau reduced the rent by 50%. There was discussion on what other districts are doing regarding Covid-10.

Director Brennan was also at that meeting and he attended the Zoom meeting on the Ventura in stream flows.

11. BOARD OF DIRECTOR COMMENTS PER GOVERNMENT CODE SECTION 54954.2(a).

President Baggerly mentioned a report from constituents who visited the Sespe River and were astounded at the amount of catfish in the river.

Director Kaiser suggested it might be timely to get an update from Scott on if there have been any fish transiting the river.

Minutes of the Casitas Municipal Water District
Special Board Meeting Held
July 10, 2020

A special meeting of the Board of Directors was held July 10, 2020. The meeting was held via teleconference.

1. CALL TO ORDER

The meeting was called to order by President Baggerly at 11:00 a.m.

2. ROLL CALL

Directors Kaiser, Spandrio, Brennan and Baggerly are present. Also present are General Manager Flood, Assistant General Manager Dyer, Executive Administrator Vieira and Counsel Mathews, Engineering Manager Aranda. There was a total of 15 participants on the call.

3. PUBLIC COMMENTS

None

4. Review and Discussion Regarding Public Opinion Survey Results.

Dave Metz with FM3 provided a presentation on the results of the survey that was completed during the last week of June. The results provide a strong show of public support for the district with the majority being satisfied and they believe the rates they pay are reasonable. There is broad recognition of having a reliable water supply and it is the highest priority local voters think are important. At the same time, there is a significant amount of economic anxiety relative to the Coronavirus. The idea of a bond measure before voters falls short of the 2/3 threshold. Providing more information on the needs does yield a higher level of support but it is hard to reach the 2/3 level this November or in early 2021.

The results are from interview with 437 random sample voters in the district who are likely to cast ballots in this election. Interviews were conducted online, via landline and wireless phones. Interviews were done in English and Spanish and were evenly mixed across each division.

5. Adjournment

The meeting adjourned at 11:49 p.m.

Angelo Spandrio, Secretary

MEMORANDUM

TO: Board of Directors
From: Michael L. Flood, General Manager
RE: **Discussion and possible action on a proposed November 2020 Casitas Water Security and Infrastructure Renewal Bond Ballot Measure**
Date: July 16, 2020

RECOMMENDATION:

The Board of Directors consider issuance of a bond measure to support water security and infrastructure renewal projects.

BACKGROUND:

At their April 10, 2020 Special Meeting, the Board of Directors determined that the proposed bond measure being considered for the November 2020 ballot should be considered for a March 2021 special election.

District Public Relations consultant, Fiona Hutton and Associates provided additional information at the May 21, 2020 Public Relations Committee Meeting that the District might want to consider the November 2020 ballot for the bond measure.

District staff has determined that the deadline for filing paperwork for the November ballot is August 6, 2020.

During the May 27, 2020 Board Meeting, public relations consultant Fiona-Hutton & Associates was instructed to hire a public-polling consultant to test public sentiments on a proposed \$155M bond measure.

On June 8, 2020, the Board hired bond counsel to provide legal advice on the issue.

On July 8, 2020, polling consultant FM3 presented the results of the public polling survey to the Board of Directors.

DISCUSSION:

The results of the second public polling survey shows that the public within the District's service area are generally supportive of a bond measure that would provide funding for the

water security and infrastructure renewal projects the District has been working on and considering over the past several years.

While the public is supportive of the proposed bond measure, the numbers appear to fall short of the required 2/3rds majority needed for passage.

As with the 2019 survey, the polling consultant recommends further public education on the water security and infrastructure renewal projects will provide the best opportunity for passage of the bond measure.

Bond counsel attorney Bill Marticorena of Rutan & Tucker, LLP has indicated that there are some legal requirements in order for the Board to place a bond measure on the November ballot that include passage of a resolution by the Board.

Fiona Hutton of Fiona-Hutton and Associates will provide some additional slides at the Board meeting that will answer the Board's information requests from the public polling presentation of July 10th.

Should the Board decide that it would like to place the proposed bond measure on the November 2020 ballot, it is recommended that direction be given to staff to prepare the necessary resolution, final bond measure language and attachments to be presented at a Special Board Meeting to be scheduled during the week of July 27, 2020.

Casitas Municipal Water District Customer Priorities

Topline Summary from a Survey
Conducted June 25-30, 2020

220-5863

OPINION

& STRATEGY

Sample Size & Bond Measure Sentiments

(After Hearing More Information & Negative Messages)

Demographic Group	# of Customers Surveyed	Total Yes	Undecided	Total No
All Customers	473	60%	8%	32%
District Division				
Division 1	96	64%	3%	33%
Division 2	61	53%	11%	35%
Division 3	83	68%	9%	23%
Division 4	101	56%	9%	35%
Division 5	96	56%	11%	33%

Conclusions

- Customers have very positive feelings toward Casitas MWD, with three-fourths of voters satisfied with the job the District is doing and a solid majority viewing rates as reasonable.
- There is a strong recognition of the importance of having a reliable water supply, with customers ranking it as a the most urgent of a list of local priorities.
- Customers prioritize preserving Lake Casitas and ensuring access to safe drinking water during future droughts, and rate them as a high priority for investment.
- At the same time, customers also feel some economic unease – with most saying that the worst of the pandemic is yet to come, and many uneasy about their household finances.
- In the current environment, while customers offer consistent and durable majority support for a \$155 million bond measure, that support remains just shy of the required two-thirds supermajority.
- Customers' satisfaction with the District's work to date and high levels of tax sensitivity likely create obstacles to getting to two-thirds.
- The District should consider continuing its education and outreach work, with the goal of broadening public understanding of the urgency of making water infrastructure investments now.
- The combination of that education, along with the passage of the pandemic and some amount of economic recovery, could create opportunities to reach the required two-thirds.

November Ballot Propositions and Measures

(With Fiscal Impacts)

Statewide:

- **Prop 14** – Authorizes bonds to continue funding stem cell and other medical research. (\$5.5B bond)
- **Prop 15** – Increases funding for public schools, community colleges, and local government services by changing tax assessment of commercial and industrial property. (Increased tax on most property owners with property valued over \$3M)
- **Prop 20** – Restricts parole for non-violent offenders, authorizes felony sentences for certain offenses currently treated as misdemeanors. (Increased state and local correctional, court-related and law enforcement costs likely in the tens of millions statewide)
- **Prop 21** – Expands local government authority to enact rent control on residential property. (Potential reduction in state and local revenues of tens of millions of dollars per year in the long term)
- **Prop 22** – Changes employment classification rules for app-based transportation and delivery drivers. (tax – increase in state revenue from personal income tax)
- **Prop 23** – Authorizes state regulation of kidney dialysis clinics and establishes minimum staffing and other requirements. (Increased state and local health care costs, likely in the low tens of millions of dollars annually)
- **Prop 24** – Amends consumer privacy laws. Initiative statute. (tax – unknown impact on state and local tax revenues due to economic effects from new regulation)

Local:

- **Measure “K”** – Ojai Unified School District (\$45M in bonds)
- **Measure “E”** – City of Oxnard (1.5 cent sales tax to maintain 911 emergency response times)
- **Measure “G”** – City of Ojai (3% tax on cannabis businesses)
- **Measure “H”** – Ventura Unified School District (renew \$59 parcel tax for four years)
- **Measure “I”** – City of Ventura (Cannabis and hemp business tax at rates not to exceed \$10/sq ft for cultivation, 8% of gross receipts and 4% for all other cannabis businesses)

MEMORANDUM

TO: Board of Directors
From: Michael L. Flood, General Manager
RE: **Workers' Compensation Insurance Renewal**
Date: July 17, 2020

RECOMMENDATION:

Approve the Worker' Compensation Insurance Renewal with Public Risk Innovation, Solutions, and Management (PRISM) formerly known as CSAC Excess Insurance Authority in the amount of \$131,127 for fiscal year 2020/2021.

BACKGROUND:

The District has received the renewal notice for participation in the PRISM Excess Workers' Compensation Program and planned to discuss with the Finance Committee however that meeting was rescheduled to a date following the board meeting and approval is needed at this time.

DISCUSSION:

For many years the District has participated in the Excess Workers' Compensation Program which provides coverage for claims resulting in excess of \$125,000.

The renewal for this fiscal year has decreased by \$10,227 over the premium in the previous fiscal year which is surprising considering payroll upon which premiums are considered has increased and there was additional claims exposure. The pool we participate in is continuing to perform well. The district had begun the process of exploring additional channels for coverage in early 2020 however the Covid-19 pandemic resulted in uncertainty in the marketplace and difficulty in obtaining a thorough and timely analysis from potential carriers. It is recommended that this coverage be put in place for 2020/2021.

Analyzing insurers' over-all performance and financial strength is a task that requires specialized skills and in-depth technical understanding of all aspects of insurance company finances and operations. Insurance brokerages such as Alliant Insurance typically rely upon rating agencies for this type of market analysis. Both A.M. Best and Standard and Poor's have been industry leaders in this area for many decades, utilizing a combination of quantitative and qualitative analysis of the information available in formulating their ratings.

A.M. Best has an extensive database of nearly 6,000 Life/Health, Property Casualty and International companies. You can visit them at www.ambest.com. For additional information regarding insurer financial strength ratings visit Standard and Poor's website at www.standardandpoors.com.

Our goal is to procure insurance for you with underwriters possessing the financial strength to perform. Alliant does not, however, guarantee the solvency of any underwriters with which insurance or reinsurance is placed and maintains no responsibility for any loss or damage arising from the financial failure or insolvency of any insurer. We encourage you to review the publicly available information collected to enable you to make an informed decision to accept or reject a particular underwriter. To learn more about companies doing business in your state, visit the Department of Insurance website for that state.

**Special Water Resources Committee
(this meeting was conducted telephonically)**

DATE: July 16, 2020
TO: Board of Directors
FROM: General Manager, Michael Flood
Re: Special Water Resources Committee Meeting of July 1, 2020, at 1400 hours.

RECOMMENDATION:

It is recommended that the Board of Directors receive and file this report.

BACKGROUND AND OVERVIEW:

1. **Roll Call.**
Director Russ Baggerly
Director Angelo Spandrio
General Manager, Michael Flood
Assistant General Manager, Kelley Dyer
Engineering Manager, Julia Aranda
2. **Public Comments.**
None
3. **Board comments.**
None
4. **Manager's Comments.**
GM Flood informed the Committee of the closure of the Lake Casitas Recreation Area over the July 4th weekend due to local closure of other recreational facilities due to COVID-19 public health concerns.
5. **Ventura-Santa Barbara County Intertie – State of California Drinking Water State Revolving Fund (DWSRF) Additional Supplement Appropriations for Disaster Relief Act (ASADRA)**
EM Aranda provided an overview of this item including the program provider, maximum loan amounts, expected project costs, and next steps including the need for a resolution by the Board of Directors.

The Committee asked that staff prepare the needed resolution and forward this item to the Board.

6. **Update and discussion of State Water Interconnect Project**
GM Flood reviewed the Committee memo with the Committee.

Director Spandrio indicated concern over the cost-sharing on the project including that of the CEQA-related lawsuit and clarification of the District's encumbrance accounting. He also expressed concerns over the Stantec scope-of-work for the design portion of the project and how it impacts the District's draft Comprehensive Water Resources Plan. He also indicated that earlier consideration of these concerns should have occurred before the plan was released.

Director Baggerly indicated that the City of Ventura is accepting responsibility for the return of water to Calleguas during emergencies.

The Committee asked that this item be placed on the July 8th Board of Directors Meeting agenda for further discussion.

Personnel Committee
(this meeting was conducted telephonically)

DATE: July 16, 2020
TO: Board of Directors
FROM: General Manager, Michael Flood
Re: Personnel Committee Meeting of July 14, 2020, at 1630 hours.

RECOMMENDATION:

It is recommended that the Board of Directors receive and file this report.

BACKGROUND AND OVERVIEW:

1. **Roll Call.**

Director Pete Kaiser
Director Brian Brennan
General Manager, Michael Flood
Assistant General Manager, Kelley Dyer
Human Resources Manager, Diana Impeartrice
District Employee, Chelbi Kelly

2. **Public Comments.**

None.

3. **Board/Management comments.**

Director Kaiser expressed his thanks to Casitas staff related to efforts during the COVID-19 Outbreak.

Director Brennan also expressed his appreciation to staff for their efforts during this time. He also requested that an example of the District's 'on-boarding' packet for new employees be shared with the Committee.

HRM Impeartrice indicated that the revised Employee Handbook will have on-boarding materials included in the handbook which could also include a welcome statement from the Directors.

4. **Treatment Plant Job Descriptions Update**

HRM Impeartrice reviewed the Committee memo with the Committee along with an overview of the related job description documents in the Committee packet.

Director Brennan expressed appreciation for the work on these job descriptions and that they appeared to be very comprehensive in nature.

Director Kaiser asked about timing for attorney review.

GM Flood indicated that, when appropriate, the attorney reviews documents like these after the union has provided comment and they are ready to go to the Board.

HRM Impeartrice indicated that she stays updated on legal requirements for job descriptions as well.

The Committee indicated that these looked good and should be forwarded to union for consideration.

5. **Park Services Manager Job Description Update**

HRM Impeartrice reviewed the Committee Memo with the Committee along with the attached documents including the changes that have been made. She also indicated that a few additional changes are being proposed since this was posted with the Committee agenda that involve PSO IV and the lifeguard description.

Director Brennan inquired as to the peace officer status, required certifications, and internal recruitment of this particular position.

Director Kaiser inquired as to the professional degree needs, POST issues, and certifications. He also indicated that there should be an emphasis on professional leadership and goal setting.

GM Flood indicated that a familiarity with peace officer operations/issues along with a college degree should be a desirable qualification.

The Committee indicated that it looked good and should be forwarded to the Board of Directors for consideration.

6. **Human Resources Manager Report on Park Services Manager Recruitment Plan**

HRM Impeartrice went over the recruitment plan including the near-term internal recruitment and the proposed schedule.

Director Kaiser asked questions about the interview process and job announcement.

Director Brennan indicated that the job announcement should be shared with the Committee, asked about various insurance tiers available to employees and that a synopsis of those options be provided to the Committee in the future. He also indicated that for a public recruitment, that the AWA job site should be included. He also inquired as to the participation of Director Kaiser in the final interview process.

GM Flood asked that Director Kaiser be available for the final interview when the candidate pool has been reduced to the final one or two candidates.

Dear Russ:

Thank you for contacting me to share your support for additional funding to help state and local governments dealing with the impacts of the COVID-19 pandemic and for H.R. 7073.

I share your strong support for additional federal assistance for state and local governments, including those that did not qualify for a direct payment under the CARES Act. This is my number one priority for the next COVID-19 relief bill. In Congress, I have been advocating for such funds, and I have co-sponsored legislation to provide additional funds to our local communities, including H.R. 7073 to help special districts. Unfortunately, as you likely know, the White House and Senator McConnell have opposed such funds, preventing us from including funding in the most recently enacted bill, the Paycheck Protection Program and Health Care Enhancement Act.

In my view, Congress simply must take action to help fund our police, our firefighters, our first responders, our public health officials, local government employees, and our state employees struggling to process millions of unemployment assistance claims. Congress must also provide additional support for our public schools and for our teachers. These are all essential functions of government. Now more than ever, the American people need leadership in Congress that fights for the priorities of the American people and our communities, not leadership that is blinded by wrong-headed ideology.

On May 15th, the House passed the Heroes Act, which would provide an additional \$500 billion for states and \$375 billion for local governments. As we continue to negotiate the next COVID-19 relief package, please be assured that I will continue to fight for funds for our local governments in Ventura County, including our special districts.

Again, I appreciate that you took the time to reach out to me. As Congress considers additional legislation to address the impacts of COVID-19, please do not hesitate to reach out to me or to my Chief of Staff, Lenny Young (Lenny.Young@mail.house.gov), or my Legislative Director, Sharon Wagener (Sharon.Wagener@mail.house.gov), to let us know how we can be of assistance.

Sincerely,

JULIA BROWNLEY

SUBJECT: Regional Collaboration – Draft Casitas MWD Comprehensive Water Resources Plan (CWRP)

Dear Mr. Flood,

Thank you for the opportunity to review your recently completed draft 2020 Comprehensive Water Resources Plan (CWRP).

The CWRP presents a strategy for addressing long-term water supply challenges in order to meet the needs of Casitas. The draft plan recommends a portfolio of projects for Casitas to consider, including supplemental water options that would involve the participation of Calleguas. Specifically, these include the ability to access State Water Project (SWP) water – and potentially other supplemental sources – into the Casitas water system. We believe further exploration of these options may yield additional benefits for both Casitas and Calleguas.

Calleguas welcomes the opportunity to continue to work together toward a more resilient future. We support exploration of these potential projects and how we might cooperatively manage our diverse water supplies.

Please do not hesitate to contact me at (805) 579-7138 or tgoff@calleguas.com.

Sincerely,
