CASITAS MUNICIPAL WATER DISTRICT
Interdepartmental Memo

DATE: August 6, 2021

TO: Recreation Committee

FROM: Michael Flood; General Manager

SUBJECT: Review of the Ojai Raptor Center request for the donation of a Lake Casitas Recreation Area Frequent Visitor Decal (FVD) for the Ojai Raptor Center Auction.

The Ojai Raptor Center has requested Casitas MWD consider donating a Lake Casitas Recreation Area 2022 Frequent Visitor Annual Decal (FVD) in support of their upcoming Online Auction in October (Auction form/flyer attached).

The Ojai Raptor Center is a non-profit organization and counts on public donations for support.

Park Ranger Kyler Heath is the District's liaison with the Raptor Center, and he stated "The Raptor Center has been very helpful to the LCRA. When we encounter an injured, bird, chick, fledgling or other feathered friend they are quick to respond and assist in capturing and caring for the bird(s)".

Additionally, Park Ranger Heath has the Raptor Center come out once a year to hold a show and tell demonstration, which is a huge hit with the Jr Ranger program and to LCRA guests in general.

This is the type of program builds favorable memories of the park and attracts guests to the LCRA.

In return for the donation, the Ojai Raptor Center will promote the Lake Casitas Recreation Area as a donor and provide links to the District's recreation website.

This donation is recommended in that the Ojai Raptor Center provides valuable in-kind services to the District at no charge, the Ojai Raptor Center relies on donations for its operations, and the value of a LCRA FVD is nominal (\$150).

OJAI RAPTOR CENTER ONLINE AUCTION

Ojai Raptor Center (ORC) will be hosting our first-ever online auction in October 2021. We will be inviting our 9,000 supporters and 30,000 social media followers to participate and bid.

The proceeds from this auction will support the rescue, rehabilitation, and release of California raptors. We treat over 1,200 patients every year. Our education program also reaches thousands of school-age children and shares the importance of protecting these magnificent species.

We are asking you to support our important work by donating an item to our auction. We will include links to your web page in our auction. Photos of the item or your business (provided by you) will promote your business and your tax-deductible donation to our supporters in the run-up and during the auction.

If you would like to donate an item, please fill out the attached Auction Donation Form and return it to ORC by September 1, 2021.

If you have any questions or would like more information about Ojai Raptor Center or the auction, please contact us at heather@ojairaptorcenter.org.

Thank you for supporting wildlife!

Sincerely,

Heather Patrice Brown

In June 2021, the County of Ventura moved out of the State's Tier system and began following Federal and State guidelines. The Lake Casitas Recreation Area opened at a 100% for all camping. High touch areas such as restrooms, showers and Chemical toilets, continued to be cleaned twice a day. LCRA staff continue to follow District guidelines by wearing mask and maintaining distance when dealing with the public.

There were three fishing tournaments held in June, the American Bass Association (ABA), had a total of 41 teams and Rich Tauber Fishing (RTF) had 19 teams respectfully. Boat inspections remained active with 675 vessels Retagged, 22 vessels passing inspection for new vessel tags, 3 failures and 2 no shows. Bait and Tackle had 15 new motors that passed inspection and were cleared from quarantine. The June movie held at the Event Area drew approximately 100 viewers.

A small event "Cars @ Casitas" was held at the Santa Ana ramp, which included various vehicles of all years, makes and models. The vehicles were on display for competition for various categories. The event drew approximately 50 plus vehicles. Marina Café provided Tri Tip sandwiches, BBQ chicken as well as their regular menu.

Maintenance completed various tasks throughout the park including repairing a cast iron sewer line that collapsed due to tree roots. Trees were trimmed along the bottom of Santa Ana, and a dead pine tree was removed near Tea cup 2. Other items included repairing a water leak in Egret, repaired a fish sink disposal, and raised hose bibs in ADA sites for easy access.

In June a Facility Assessment report was conducted on the Casitas Water Adventure Lazy River and Play Structure. Councilman-Hunsaker should have the report completed by July. CWA staff have also been working with Conservation on irrigation systems. CWA staff continue to assist maintenance with the daily sanitizing of the restrooms, showers and CT's.

Revenue Reporting

Fiscal year's total figures are reported when made available for the respective months (operations, concessions, Casitas Water Adventure, etc.) per the District's Financial Summary, generated by the Chief Financial Officer.
